Automation Journey

KRYONTM
BE YOUR FUTURE

THE KRYON PARTNER PROGRAM

Welcome to Kryon

Kryon is the leader in enterprise automation, offering the only platform in the market which encompasses both Process Discovery and Robotic Process Automation (RPA). This end-to-end solution maximizes ROI, cuts overhead costs and accelerates implementation time by 80%. Powered by proprietary AI technology, Kryon Process DiscoveryTM automatically generates a comprehensive picture of business processes, evaluates them, and then recommends which ones to automate. Kryon RPA enables a wide variety of businesses; empowering companies to perform tasks at a higher level of proficiency while optimizing individual and group effectiveness.

The Kryon Partner Program

The Kryon Partner Program is our framework for a joint working relationship. Our goal is to engage with committed partners, who recognize the explosive growth and value of the RPA market, and want to work with a solution provider like Kryon to drive new levels of automation in the market

Our program offers a wide range of sales and training development courses to rapidly achieve competency and certification in a market-leading solution. Additionally, we offer competitive discount allowances tied to annual product revenue achievements.
