

Bot Camp

Submit a Wizard – Instructions

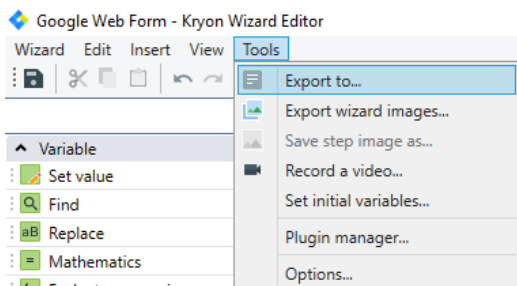

To submit your wizard for Kryon Bot Camp, create a zip file which has:

- **Word** file exported from the wizards, as explained below. Add screenshots of the advanced commands at the end of the file.
- **.lwiz** file saved from the wizard, as explained below

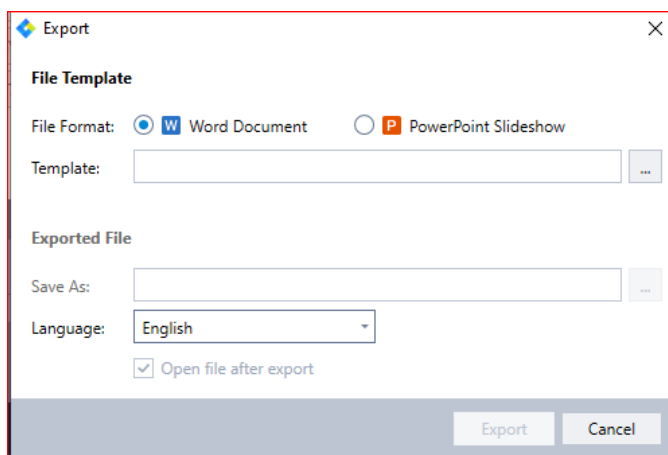

Upload the zip file to Kryon Bot Camp submission page.

Export a word file from the wizard:

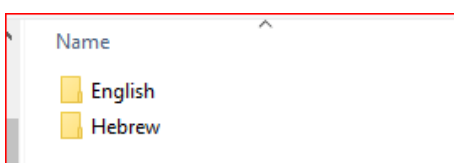

From Kryon Wizard Editor, go to Tools -> Export to:

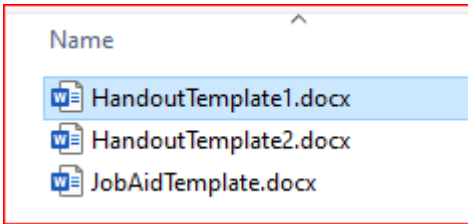

Click on "..."

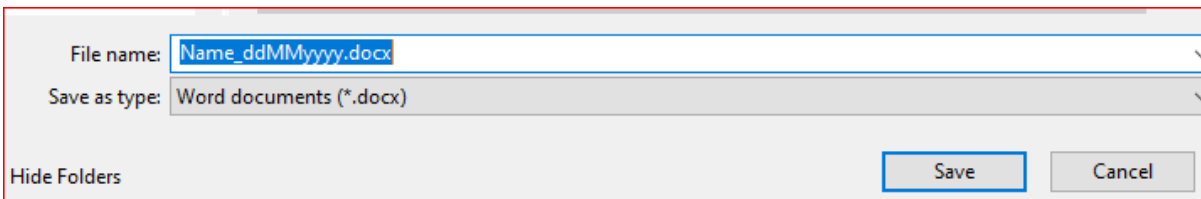

Select "English"

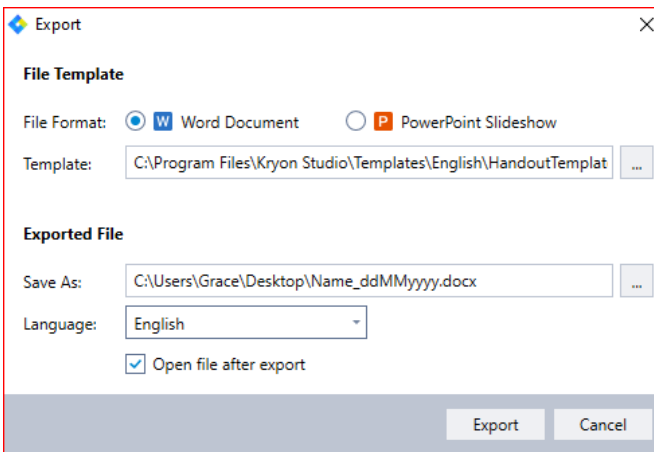

Select "HandoutTemplate1.docx"

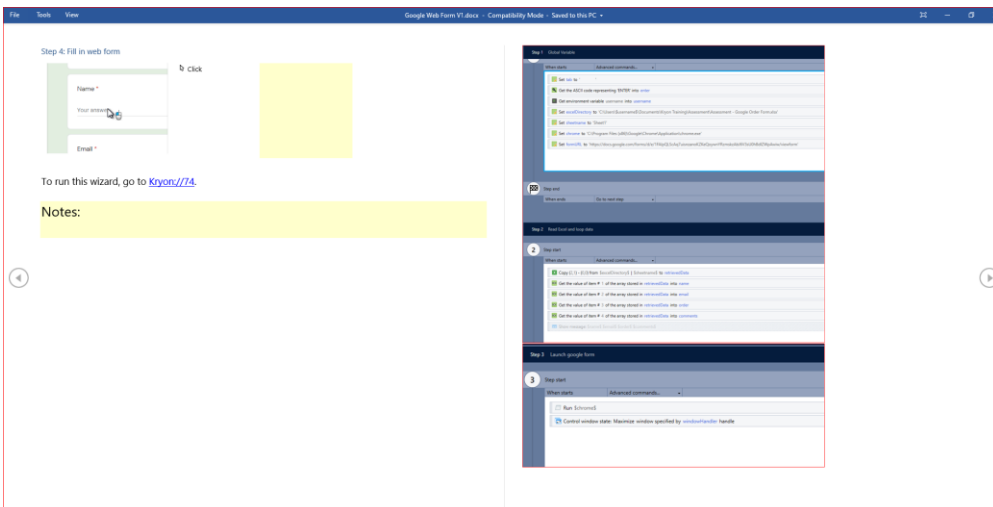

Save as "Full Name_ddMMyyyy.docx"

Click "Export"

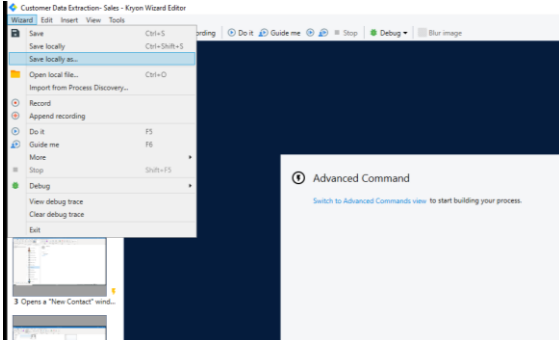

Add screenshots of your advanced commands into the exported document

Export .lwiz file from the wizard:

From Kryon Wizard Editor, go to Wizard -> Save locally as..:

Save as "Full Name_ddMMyyyy.lwiz":
